Fines for Overdue Materials

- ∞ The fine for each overdue book is \$.20 per day. Materials overdue more than 21 days are billed \$65.00 per book plus a \$10.00 service charge for reprocessing each item.
- ∞ Items returned after the billing will be recalculated to just the overdue charges at \$.20 per day.
- ∞ Overdue reserve materials and inter-library books are billed at \$2.00 per day.
- ∞ Failure to meet library obligations (return materials and/or pay fines) will cause the college to withhold grade reports and transcripts, refuse future class registration until fines are paid, and restrict access to library services.
- ∞ Fines may be paid at your campus library until the end of the semester.
