

## How do I renew materials I've checked out?

Material can be renewed in person at your campus Circulation Desk, by telephone, or online. To renew online:

- Go to the Library homepage <http://lib2.hacc.edu>
- Under Library Services – click Library Account
- Enter your HACC ID number and your PIN

*Note:* Materials cannot be renewed if they are overdue or have already been renewed twice. Items cannot be renewed if someone has a hold on them. If the material is overdue, bring it to your campus library for renewal.
